## **COMMERCIAL INVOICE/PACKING LIST**

Please prepare the invoice/packing list with the following details:

- Commercial invoices and packing lists can be combined on one document if they list quantity, description, value of each item, weight and dimensions of each package.
- Your company's Identification Number and any applicable licensenumbers.
- Complete, precise, simple and non-technical description of all items listed on the invoice.
- Electronic copy of each commercial invoice in Excel format sent to TWI Operations: Andrea Lawson - [jpadilla@twigroup.com](mailto:jpadilla@twigroup.com) and our on- site partner ComarFex – Juan Carlos Pérez Mármol [jcperez@comarfex.com](mailto:jcperez@comarfex.com) & [fairs@comarfex.com](mailto:fairs@comarfex.com)

## **PACKING**

Due to multiple handling of freight cases TWI urges exhibitors to use strong wooden cases. Bolted returnable types of cases that offer protection from the elements are ideal. If your cases are secured with a lock or combination please provide the key or combination for Customs purposes.

## ***ATA CARNET***

An ATA Carnet is recommended if you plan to send equipment to multiple countries or if you plan to send highly valued goods.

## ***CE EUROPEAN UNION CONFORMITY DECLARATION***

ALL PERMANENT entries (including give-aways) of toys, machineries, electronics, auto parts, computers, medical devices, phones, some equipment, etc. require a CE trademark (certificate of conformity).

## ***INSURANCE***

It is recommended that exhibitors provide insurance coverage for their goods from point of departure through to final destination. It is further recommended that such insurance coverage be provided for the transit period and while on-site at the exhibition (including movement and dismantling periods).

## ***SHIPMENTS WITH NON-MANUFACTURED WOOD PACKING***

All shipments containing Non-Manufactured Wood Packing (NMWP) must be either **heat-treated or fumigated**. NMWP and Solid Wood Packing Material (SWPM) must bear markings indicating the type of treatment under the ISPM 15 regulations.

Any packing that does not comply with these requirements will be refused, destroyed, or returned to its origin, resulting in a considerable delay.

## ***TERMS OF PAYMENT***

All TWI/ComarFex invoices for MRO Europe 2024 are for immediate payment. Major credit cards accepted include American Express, Visa, Mastercard and Eurocard.
